BIOGRAPHY

I am Deni Kalenski, a passionate and creative UX design enthusiast currently seeking an internship or part-time role to further develop my skills and contribute to impactful projects. My goal is to develop useful designs and learn more about the UX Industry.

WORK EXPERIENCE

Kitchen Helper /Vaca Mejlgade/ 2023-Present

- Capable of working efficiently under pressure to meet deadlines and maintain service flow.
- Quick to adapt to changing kitchen environments and able to handle multiple tasks simultaneously.
- Ability to work collaboratively with the kitchen staff to ensure efficient kitchen operations.

Photographer /Freelancer/ 2017- Present

- Proficient in various photography styles, including portrait, landscape and event photography.
- Skilled in photo editing software such as Adobe Photoshop, Lightroom, and other editing tools for color correction, retouching, and enhancing images.

Capable of managing multiple projects simultaneously, meeting deadlines, and delivering quality work on time.
